Consent to Receive Notice by Electronic Transmission

In an effort to reduce expenses for the association we have instituted a system by which you can authorize the association to send you official notifications by electronic means as much as possible. Florida Statute requires each unit owner to authorize that these communications be sent electronically. For the association to take advantage of this ability requires your written authorization. By completing the attached form, you are granting this authorization. This consent is continuous until revoked by a unit owner.

I, _____, owner of unit number

_____ at Seacoast Management No. 3, Inc., grant permission for Seacoast Management No. 3, Inc. to send association correspondence to me via electronic means.

Correspondence can be sent to three (3) email addresses. Please indicate your preferred email address below.
